

SW-HF5.1 3000

80W RMS 5.1 Speaker System

SW-HF5.1 3000 now available in mahogany!

Genius is now offering a new mahogany wood design to its popular wood speaker system, SW-HF5.1 3000. This gives you an additional choice to improve your surroundings with an outstanding speaker system. This new wood speaker system is available now.

Stylish Home Entertainment 5.1 Speakers

Genius now introduces a stunning 6-piece wood 5.1 speaker system—SW-HF5.1 3000, for your music, DVD movies and gaming needs. The Genius SW-HF5.1 3000 with audio output RMS 80 watts features one stylish subwoofer, five satellites and a wireless remote control.

The powerful cube-style wood subwoofer incorporating a 5.25" long-throw driver delivers 35 watts true low frequency performance. A center speaker with a dual-3" driver combined with a 3" driver for front and rear speakers provides optimum sound dispersion and sonic imaging. The wireless remote control comes with power, mute, volume adjustments for each speaker and the AUX input is for switching from stereo to 5.1 surround sound easily.

Release yourself and enjoy realistic 5.1 surround sound entertainment and immerse yourself in sound and style with the *Genius SW-HF5.1 3000*.

Date Available: Oct. 2005
